RED CROSS DRIVE IN FULL SWING HERE

THREE ANNOUNCE FOR ALDERMEN

2 Seek Re-Election One New Candidate

Three names have been filed at the City Hall to appear on the ballot in the coming election on Tuesday April 3, for three places on the Board of Aldermen, it was disclosed by W. H. Stafford, City Secretary, early Thursday morning.

Gene Blake, manager of the Coca-Cola Bottling Company, well known citizen of Cameron was the first to offer as a candidate for a place on the city council. He is first vice-president of the Chamber of Commerce and also a member of the board of directors.

Bob Terry, veteran member of the council, is a candidate for re-election to another term and is well known for his business interests in the city.

Milton Schiller, member of the board of aldermen, is asking for a second term on the council. He is co-owner of the Schiller Motors and during his first term as member of the council has taken an active part in the progressive movements the city has undertaken in the past year.

Formal announcements of these candidates will be published at a later date.

Dr. Swift's Clinic To Open In April

Building permits in the City of Cameron for the month of January reached a total of \$13,945.00, it was disclosed by W. H. Stafford, City Secretary.

This report is encouraging as it is a considerable increase over the months of November and December as the total for both months was less than \$11,000.

The major part of the permits involves the construction of Dr. C. G. Swift's Clinic and Office located in the 300 Block on North Central.

"The Swift Clinic" will be one of the most modernistic of its kind and will feature all the modern facilities available which will include modern X-ray equipment, physical therapy treatment and all the other modern facilities used in the up-to-date clinics in the larger cities.

Construction has been underway for two or three weeks and Dr. Swift said, according to present plans he would be in the new location by the middle of April. The building will be Servel Air-conditioned.

Stanley Hughes, well known Cameron contractor, is in charge of construction and is doing a good job. Materials are being purchased at the Wm. P. Carey Lumber Company. The clinic will have complete facilities for two doctors.

The front of the building will be made of transite material and Roman stone. Transite is being used in many of the most modern constructions of the present day as a front view.

Dr. Swift has been a resident of Cameron for the past fifteen years coming to Cameron from Waco and is well known in the city and entire county and throughout central Texas as an outstanding physician. He is president of the Cameron School Board and is a member of a number of civic organizations here. He has always been interested in the municipal affairs and progress of the city. His offices were formerly in the Citizens National Bank Building, before moving to his present location at 106 East Third Street, in the Morrison Building recently purchased by Camp and Camp Attorneys.

His many friends in the city and county will be glad to learn of his progress and success in his profession. He married the former Shirley Johns of Waco and they have one son, Clifford Jr., and twin daughters, Nancy and Laura.

Mrs. Gene Blake and Mr. and Mrs. Gus McLain, Jr. are at the bedside of Mrs. Blake's and Mrs. McLain's father, A. Merchant, who is seriously ill at Methodist Hospital in Houston.

SOIL BUILDING PROGRAM STEPPED UP

New Home For McLain Pontiac Co.

The McLain Pontiac Company has purchased the property of Mrs. Cora McGee at the corner of North Central and 7th Street, it was disclosed Monday morning by G. W. McLain, owner and operator of the company.

Mr. McLain is owner and operator of a number of enterprises in the City of Cameron and has lived in the city since December 1935. He formerly lived in Temple before coming to Cameron. He said he purchased the property for \$10,000.00 and said that his 10 cents taxi fare was really paying off.

Mr. McLain is widely known over the entire county for his business connections and has made his businesses a success during his years in the Friendly City and his many friends are congratulating him upon his new venture in the purchase of this desirable piece of property. The City of Cameron is building fast in both the northern and eastern sections. Several new buildings are under construction.

Remodeling of the McGee home will get underway sometime this week, Mr. McLain said and would either be sold or moved to the rear of the lot.

Plans are being drawn up for erecting the building and as soon as needed materials and other details are in order, construction will begin.

This location is ideal for an automobile agency, especially since the right-of-way will soon be secured and the new highway is constructed. Mr. McLain says he will erect one of the most modern buildings of the day with all modern furnishings and facilities.

He said that plans would be accelerated as much as possible so that he could be operating at the new location within the shortest period of time, but with the shortage in some materials only slight interruptions will be had in the erection of the new building.

During the past seven or eight months much of the valuable property in the city of Cameron has been sold and with the present upward trend of prices, valuation might climb to a higher level.

Stationed In Japan

Pfc. F. W. Mortimer, Marine Reservist who was recalled to active duty November 30, 1950 was stationed at Camp Joseph H. Pendleton, Ocean-side, California until recently.

During peace time Pfc. Mortimer was stationed at San Diego, California. He served in the Marine Corps for twenty-two months during World War II.

Pfc. Mortimer is with "H" Company, 6th Replacement Draft and sailed from San Francisco, California February 15 for Japan.

His wife, the former Miss Helen Ruth Richards is making her home with her parents, Mr. and Mrs. D. C. Richards of Minerva until her husband returns to the states. He is the son of Mrs. Helen C. Mortimer of Cameron.

Local Veterinarians Discuss Rabies

Approximately forty members of the Milam County Farm Bureau and other citizens over the county met with the Commissioners Court Wednesday Morning at a special called session by Judge Dan Tyson in regard to the eradication of increasing number of rabid foxes in the county.

After considerable discussion on rabies by Dr. Lyle McDermott, Dr. E. S. Freeman and other members of the delegation, Colonel O. G. Tunlinson recommended a committee be appointed to work with the veterinarians and members of the Commissioners Court to put a bounty on Fox.

A motion was made to this effect by Commissioner C. S. Raney, which carried unanimously. Dennis Klein, president of the Farm Bureau, appointed Hubert McClaren, of Marlow, Emory Doss of Rockdale, H. R. Fuchs of Buckholts and Ozell Angell of Salem on the committee.

Dr. McDermott stated in his discussion that rabid foxes are becoming more prevalent over the entire county and that a number of people in the county were taking treatment for rabies, either received directly or indirectly from foxes, or other rabid animals.

It was reported by a number of farmers and ranchers that foxes were inflicting heavy losses in their cattle herds and the fox situation is becoming more serious each year.

The commissioners and judge Tyson assured the delegation that they would work with the committee and the veterinarians in the county to bring the fox situation under control.

The Farm Bureau under the leadership of Mr. Klien recently elected president of this organization are accomplishing great things. It looks as if the Farmers of the County are on the march for what is justly theirs and many things are in preparation now for other progressive movements that will benefit the county as a whole and not just for private interests that has been the custom for several decades.

To make any movement progress, it takes a lot of cooperation, hard work, common sense and adequate backing to assure its success and only through organization can these achievements be accomplished. Mr. (Turn To Page Ten)

Bassel Wilson To Be Saluted By Murray Cox On WFAA March 9th

One of our friends and neighbors hits the air in a big way this week! It's Wilson Produce Co. and Bassel Wilson, owner, who is to be the object of a "salute" by Murray Cox, noted agricultural editor of WFAA, Dallas. The tribute will be given on his well known program over WFAA-820, called Murray Cox, R.F.D., 12:15 noon, Friday March 9, 1951. The object of the "salute" is to let the world and of course the world near around Cameron know that Bassel Wilson is the dealer in Cameron who handles the SUN-GLO line of stock and poultry feeds, which he says are just about the finest to be found.

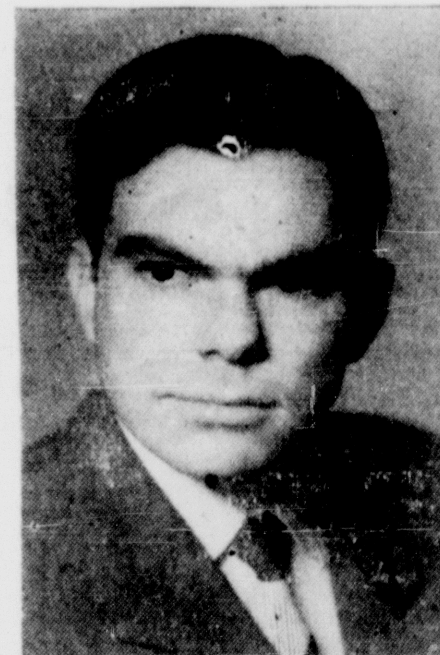

The SUN-GLO line includes a complete line of dairy, hog, chicken, turkey, calf, beef, horse, rabbit and milk-goat feeds, in addition to the staples, bran, shorts, etc. SUNGLO feeds are made by the millers of Gladia flour, which has made such swift strides to the front during recent years that more GLADIOLA flour is now sold than any other family flour being sold in Texas.

If you want to hear what the SUN-GLO people and Murray Cox, WFAA farm editor think of the Wilson Produce Co., be sure to tune in Friday March 9; 12:15 p. m.

Revival To Begin At Battletown Baptist Church Friday March 2

A revival will begin at the Battletown Baptist church on Friday March 2 and will continue through March 11.

Rev. Bob Walker, pastor, and student at Baylor University, will bring the gospel messages. The preaching services will begin promptly each evening at 7:30 and prayer services will be held each night, 30 minutes prior to the regular service.

J. Terry Young of Waco will direct the song services and Miss Beryl Greer of Dallas will be pianist.

Rev. Bob Walker is extending an invitation to the public to attend each service. He recently accepted a call to the church and reports the church is progressing fine. He has been pastor at the church for the past two months.

S. S. Representative To Be Here March 6th

More than 1700 persons have already filed their claims for the new social security benefits with the office at Austin, according to James B. Marley, Manager. Many more persons are eligible who haven't filed their claims.

The new law recently passed by Congress requires persons age 65 or older to have worked on jobs covered by social security for only about a year and a half to qualify for benefits. The work credits may have been acquired at any time since 1936. Persons age 65 or over who inquired before September of 1950 and were turned down may now be eligible.

A representative of the Social Security Office would especially like to see these people to determine if they are now eligible and help them with their claims. The representative will be here in Cameron at the Department of Public Welfare at 1:00 p. m. on Tuesday, March 6.

Farmers Urged To Utilize Practices

Conservation of land is still the best bet for farmers and ranchers, according to a number of discussions held in the PMA Office by State, District and County officials.

Alva E. Sanders, Milam County Production, Marketing Administrator was host at a meeting held in the local office Tuesday, February 27, concerning the Agriculture Conservation Program.

This program was established several years ago to assure continued production from land and not as a means of distributing funds to farmers and ranchers. Its primary purpose is to safeguard the ability of the land to produce the food and fiber needed by the present population of 150 million people and take care of the increase of future generations.

Mr. Sanders pointed out in his discussion that the main objective in soil conservation program is to get more farmers and ranchers to utilize the program and from this experience they can see for themselves the many beneficial advantages the program has. A close survey is being made in several counties as to the actual need for the different practices.

Under the agricultural program farmers are not required to build terraces, seed grasses and legumes or plant trees, but a plan has been instituted through the ACP to get these things done. It is essentially a means of protecting the interests of land owners to conserve their soil that future generations will depend on for the necessities of food and other means of living.

If the land is to continue to produce enough, it is necessary that farmers and ranchers carry out essential soil and water conservation practices and through the ACP; assistance has been provided for the farmers to aid them in carrying out these measures.

W. I. Chenault, Representative of the State Office, discussed a number of important angles of the conservation set up and expressed his gratitude to the local officials, county committeemen and office personnel in the work being carried out in this county, concerning the program and said that a large percentage of the counties in the State of Texas were not as far advanced in the program as this county.

Mr. Chenault has been an interested worker in the ACP for a number of years and devotes much of his time and interest toward this movement. He stressed the vital needs of (Turn To Page Ten)

Two-Term Limit For Presidents Now Law

WASHINGTON, Feb. 27—No American ever again can be elected President for more than two terms or serve for more than ten years, unless President Truman runs and wins in 1952.

For all practical purposes, that limitation became effective when Nevada ratified the 22nd Constitutional amendment. That was 30 minutes after Utah ratified and cleared the way for Nevada to put it over the top. The amendment now has been adopted by 36 states—the necessary three-fourths to change the Constitution.

The Constitutional change—first since the prohibition repealer in 1933—means that President Truman is the last man who possibly can be elected to more than two terms. He is specifically exempted and can keep on running as long as he lives—and gets the votes.

The new amendment declares that no person shall be elected to more than two terms as President. It also states that no person who has served more than two years of a predecessor's unexpired terms shall be elected more than once in his own right.

Red Cross Drive Gets Underway

Mobilize for Defense, the national slogan for the American Red Cross fund raising campaign which begins in Milam County March 1st, was introduced at the kick-off meeting of workers under County Fund Drive Chairman Earl Curtis, Monday evening when a banquet was served the approximately 25 persons at Milam Coffee Shop, Thorndale and the Southwest portion of the county was well represented by workers rounded up by Community Chairman Jamie Clark. Floyd Stark, who serves as community chairman for the Buckholts area, was present to represent his territory. Burlington, Gause and Rockdale did not have their leaders present but have since contacted the county chairman for worker kits and supplies.

Bartle Crenan will be chairman over Burlington, Ben Arnold, Vogel-sang, Walkers Creek, North Elm, Clarkson, Baileyville and Jones Prairie; The Rev. Mr. Powell, Baptist minister, will be chairman at Rockdale; and G. R. Varner was named for Gause.

Under Mr. Clark's chairmanship will be Davilla, Lilac, San Gabriel, Thorndale, Watson Branch and Saly. With Buckholts will be Corinth, Bryant Station, South Elm and Fox School.

Albert Collins, who has worked with the Red Cross in various volunteer positions for the past 15 or 20 years, helped to explain the 1951 setup to the group at the banquet. Emphasis was placed on the greater need for funds during war times and the greater call that has been made upon the Red Cross since America's entry into the Korean fighting. Often, the organization is called upon by the (Turn To Page Ten)

S. E. Brogdon With Company 34 Years

Southwestern Life Insurance Company today reported a record business year in 1950 as it released for publication the Company's 48th annual financial statement.

Two new records were announced by Company President J. Ralph Wood, who said the Company's agency force in 1950

produced \$115,186,624 of new paid-for business, which resulted in an increase in the Company's insurance in force to a total of \$829,222,242 at the end of the year.

Both the new S. E. Brogdon paid-for insurance and the increase in force, \$67,578,223, are the greatest for any year in the history of the Company.

The Company's financial statement shows 1950 year-end assets in a total amount of \$223,090,135.07, an increase during the year of \$22,957,213.66. Funds for safeguarding the savings of policyholders were increased by the addition of \$1,000,000 to capital, \$500,000 to surplus, and \$628,098.98 to reserves for contingencies, which raised the total amount of capital, surplus and contingency reserves to \$20,952,645.90.

Following long-established policy, the Company in 1950 increased its loans on Texas real estate by \$17,492,822. More than \$74,000,000, about one-third of the Company's assets, are now invested in loans for construction or improvement of Texas homes, farms, or business properties.

Policyowners and beneficiaries received payments during the year of policy benefits amounting in the aggregate to \$10,289,556.81.

President Wood said Texans are buying larger amounts of life insurance than ever before. Policies delivered in 1950 averaged \$4,834 in face amount. In 1949, the average was \$4,261.

Southwestern Life Insurance has been represented by S. E. Brogdon for the past thirty-four years. Mr. Brogdon has been a qualified member of the Company Club for (turn to page four)

Mrs. Mattie Hernandez died at her home here Saturday evening, February 17 following a lingering illness. She was 67 years of age and had been a resident of Milano for 25 years.

Isidre Garcia, minister from Cameron conducted the funeral services Monday afternoon, February 19 at the Milano Baptist Church and burial was made in the Milano cemetery.

A large crowd from Marlin, Waco, Temple, Caldwell, Chriesman, Rockdale and Cameron attended the funeral.

Survivors included one son, Margarito Hernandez and three grandchildren, Freddie Garcia and Carlos Hernandez of Milano and Mr. Hernandez of San Antonio. Freddie Garcia had made his home with Mrs. Hernandez for several years.

Philip and Luckey had charge of the funeral arrangements.

Mrs. Elmer Russell left Sunday for a visit with her daughter and family, Mr. and Mrs. Stewart of Freeport.

Mrs. Fred James has returned home from a visit with her husband who is employed at Crystal City.

Mrs. R. E. Ledbetter and Mrs. H. M. Timmons attended the meeting of the WSCS at Maysfield Wednesday.

Mrs. G. W. Hilliard and Mrs. C. Elmer Cameron were shopping in Marlin Tuesday.

Everybody is very proud of the nice rain and were getting gardens ready for planting.

W. L. Braun left Wednesday for a two weeks business trip in Chicago. Mr. Bran is with the Santa Fee Railroad.

Mr. and Mrs. Joe Padillo of Temple were here for the funeral of Mrs. Hernandez Monday.

Mrs. Chas. Miller of Houston was a visitor in the home of Mrs. Bell Haames last week.

Mrs. Smith has returned to her home in Rockdale after a pleasant visit in the home of Mr. and Mrs. Clyde Jackson.

CARD OF THANKS

We take this means of thanking our many friends and neighbors for their kindness and sympathy shown us at the passing of our mother, Mrs. Mattie Hernandez. For the beautiful floral offerings and the most delicious food furnished by the Milano ladies we are deeply grateful. We want to thank Dr. Barkely for his faithful attendance and the pastor, Isidro Garcia for his words of condolence and others who helped in any way.

THE HERNANDEZ FAMILY

Taxi Fare Slashed; Free Rides Seen; Store Your Cars Boys!!!

The Checker Cab Company at Houston and 2nd Street owned and operated by G. W. McLain, is announcing that cab fare has been reduced to 10 cents per trip in the City limits, effective Thursday morning February 22.

The company has purchased a number of new cars recently and the cabs are being equipped with the two-way radio system and drivers will continue to render the same courteous service as in the past.

Mr. McLean said he would continue to operate on this basis and wishes to express his appreciation for past patronage and is looking forward in offering better and quicker service in the future.

Mr. and Mrs. Bobby Reese and son visited his father, M. E. Reese at Hearne Sunday.

Yoemen In Action Here Friday Night

An inter-squad football game will be played Friday night at the Yoe High School Athletic Field, it was announced by Coach Paul Smith.

The first string Yoemen will clash with the second string players and the game will get underway at 7:30 P. M., and plenty of action will be seen on the field as these two teams have been under stiff training for the past three weeks.

There will be no admission charge and coach Smith invites all the football fans and general public to come out and witness the potential prospects of what the Yoemen have for 1951. The teams have had numerous drills and workouts during the spring training period.

Fans here are always interested in the Yoemen and have been loyal supporters through the years and a possible capacity crowd will be present to see these two teams in action. Thirteen lettermen are back from last season and much power has come up from the B Team, replacing men on the A Team who will be lost through graduation in May.

Glenn Rosenberg, star backfield player of the 1950 season, is out of the first string line-up with a broken nose received in a workout last week and will be unable to participate in the event. This will displease Glenn very much as he had looked forward during the spring training, in playing in this particular game.

A stiff battle is in order and the second string will be on their toes to challenge the starting line-up boys for victory. The line-up for both teams is as follows: First String, left end, Lincoln Mondrick Jr., left tackle, Denson Ermsis; left guard, Preston Reichert, center, Bobby Russell, right guard, Pete Tindall, right tackle, Billy Wayne Angell, right end, Bobby Stanislaw; quarterback, Eldon Batte; left halfback, Lee Polansky, right halfback, Eddie Lankford and fullback, Ray Thompson. Second string, left end, Ardell Pagel; left tackle, Charles Chandler; left guard, Johnny Green, center position, Charles Eanes; right guard; Johnny Mears; right tackle, Jimmy Hauk; right end, Nathan Offield; quarterback, W. K. Leonard; left halfback, George Bryan; right halfback, Bobby Biskup, fullback, Alton Logan and J. W. Beale.

The Yoemen are in good trim and much enthusiasm has been created among the squad over the coming game Friday night.

Fall practice will begin August 27, Coach Smith said and the Yoemen will play West here September 7. Baseball and Track activities will begin sometime next week.

Mr. and Mrs. H. A. Kuzel and two grandchildren of Waco visited in Cameron Tuesday. They also visited relatives and friends at Buckholts and spent a few hours on their farm near Buckholts.

Suspended Sentence Given Drunk Driver For Second Offense

James Carlton Woolverton of Palestine was tried in District Court here recently for second offense drunk driving and was given a three year sentence. The sentence was suspended for a period of good behavior.

The offenses was alleged to have been committed in Milam County, October 1950. He was indicted by the January term of grand jury.

Woolverton had previously been convicted in Anderson County for drunk driving and this made his second offense.

Janicek Brothers Make Honor Roll At UNM

Gordon L. Janicek and Alexander D. Janicek, sons of Mr. and Mrs. J. J. Janicek of the Marak Community, are both senior students at the University of New Mexico.

Gordon and Alexander are both majoring in Business Administration and were among twenty-one who were selected on the Roll of Distinction, having a cumulative grade point average of 2.25 or better, and the Honor Roll, having no grade under a B according to Dean Vernon G. Sorrell. They are graduates of Yoe High School and were among the high ranking students in high school work.

Both are members of a number of the campus organizations and clubs at the University.

Miss Nila Jean Fuller has accepted a position in the offices of Drs. Evans & Evans. Miss Fuller is the daughter of Mr. and Mrs. A. C. Fuller of Cameron.

Mr. and Mrs. R. L. Marak and Don Frank were in Houston the past Sunday and visited Mr. and Mrs. George Tepera. Mrs. Tepera is the daughter of Mrs. Marak and is the former Mary Frances Kamenicky.

County Quota Lags; State Reports Good

There will be a meeting to elect officers for the Milam County March of Dimes Chapter at the District Court Room here Thursday night, March 1, at 8, it was disclosed by Max McClaren, campaign director.

Ralph E. Frede, representative of the foundation of Austin, has called for the meeting and workers of the recent campaign and all other interested persons are urged to be present. This meeting was planned for sometime earlier in February but due to weather conditions at that time could not be held.

It was hoped that all sections of the county will be represented at the meeting. A number of clubs and communities reported last week that they were still planning to have socials and parties to raise money for the polio drive as they have been unable to do so on account of certain circumstances. The total amount of money received at the present is nearing the \$2,000 mark and it was anticipated that the quota might be reached.

Mr. Frede said that Texas as a whole is doing a better job than it has in the past three years on the polio drive and this is encouraging since Milam County had to call on the state and national foundation to take care of its patients for a number of years. Half of the funds of the campaign will be kept in the County Chapter's Account and the other half sent to the national foundation to be used for research or to be set up for a reserve in case this county may have to ask for more money this year.

To Relieve
Misery of
COLDS
take 666
LIQUID OR TABLETS - SAME FAST RELIEF

to take care of additional polio victims.

Ed S. Stewart of Abilene, State March of Dimes Chairman said while campaign results in Texas are incomplete, it was hoped that the amount of money to be raised this year would wipe out the deficit from the three record polio years, and furthermore a surplus needs to be established to meet future emergencies. Some Texas counties and communities oversubscribed quotas and of course some always fall short of their goal, he said.

W. A. Jones Dies In Temple Sunday

W. A. Jones, 73, prominent citizen of the Minerva Community, died in a Temple Hospital Sunday following a heart attack.

Mr. Jones was an oilman and was well known for his business interests and connections in the county. He had been an outstanding figure in the history of Rockdale as well as in his own community.

Surviving are his widow Mrs. W. A. Jones, one son and one daughter. Funeral services were pending.

ward Hospital suffering with an infected hand. His many friends will be glad to know that he is improving.

Paradise Lodge No. 238 Meets Friday Night

The Cameron Colored Paradise Lodge No. 238 held a district meeting at the O. J. Thomas School Auditorium Friday night, February 23, it was disclosed by E. M. Roberts.

W. E. King, District Deputy Grand Master of Hearne was guest speaker. The program was enjoyed by everyone and afterwards a refreshment hour was held.

Officers of the Lodge are as follows: E. M. Roberts, W. M.; Austin Anderson, secretary, Alfred Hoyle, treasurer; Henry Booker, S. W. and Lowell Grier J. W.

Mr. and Mrs. E. J. Goodwin of Manor were weekend guests in the home of Mrs. G. M. Goodwin here.

Allies Gain 12 Miles On Main Front Line

(From the Daily)

TOKYO, Friday, Feb. 23— Nearly 100,000 troops of six nations, including four American divisions, gained up to 12 miles Thursday in a powerful offensive against Chinese and North Korean Communists imbedded in the wet brown hills of central Korea.

The attack, involving both the 9th and 10th Corps of the 8th Army, stretched along a 55 mile wide battlefront.

"Operation Killer" — personally ordered by General MacArthur only two days ago— sent an estimated 60,000 American troops slogging northward through the Korean mud, together with Allied forces from Britain, Canada, Australia, New Zealand and South Korea.

Opposition was spotty. Some North Koreans were pulling back rapidly in near panic. At other points stubborn pockets of Chinese divisions under to hold or die.

The battlefront stretched from Yangpyong on the west eastward to a point north of Wonju and thence southwestward to positions three miles south of Pyongchang in the wild mountain country of interior Korea.

Behind the Allied advance came huge convoys of trucks, guns and tanks, lumbering through slushy mud over narrow mountain roads.

The full-scale attack was blanketed by censorship during the first day of the assault— Wednesday. Names of the participating American divisions were withheld.

The stiffest opposition was met north of Wonju and south of Hoengsong. The Chinese are so deeply entrenched that American artillery and warplanes were having a tough time digging them out.

District Meeting Held By Methodist In Hearne

Among the Methodist men from Cameron attending the District Methodist Meeting held in Hearne Tuesday night were: Rev. Mark Magers, Gene Blake, John B. Henderson, Bismark Horstmann, A. E. Perrin and Niley Smith, Sr.

Hank Smith from Waco was the main speaker and T. D. Wilson of Hearne showed a film on the Youth Camp, Lakview at Palestine.

A delicious meal was served by the Methodist ladies of that city.

Coin Collectors Should Be Turned In As Soon As Possible

The March of Dimes is still short of its goal around \$550 as present contributions have amounted to over \$1,900 and donations are still coming in.

Workers in the campaign have put forth every effort in order to raise the quota and are to be commended for their work.

The majority of the communities surrounding Cameron have turned in their iron lungs and other coin collectors and managers or proprietors are urged to bring or send the collectors to the Cameron Herald so that funds may be tabulated as soon as possible and a complete list of contributions will be published within a few days. Campaign workers are requesting that donations be made as soon as possible so that a complete record can be made.

The citizens of Cameron and surrounding areas were very cooperative during the drive but Cameron has not met her quota of \$750. Rockdale made her quota of \$425 and some few donations are to be mailed in from that area it was disclosed by M. N. Stricker, chairman of that community.

Ralph E. Frede, district representative of the National Foundation of Infantile Paralysis was in Cameron Thursday and was very pleased with Milam County's response, but citizen's must remember here that the Foundation spent approximately \$8,000 on patients from this county last year.

It was hoped within the next few days that most of the contributions would be in and final calculation would be in order.

Farmer Favored In Civil Suit Case

A civil suit, estate of Pat Driscoll Sr., deceased, vs Fred Steinke of Burlington was tried in District Court here before a jury Thursday, February 22.

Plaintiff was represented by Attorney R. G. Carter of Marlin and M. G. Cox of Cameron. The defendant was represented by Camp and Camp of Cameron.

The matter in issue was whether or not Pat Driscoll, Sr. had made a verbal contract for defendant occupying his farm in 1951. The jury found that such contract existed.

RED CROSS CALLS HOME CHEER UP KOREA WOUNDED ARRIVING IN U. S.

"Mom, I'm in Texas—just flew in from Japan." Cpl. Bob Cronin's free phone call has been put through by the Red Cross hospital worker at his bedside, and the wounded Korea veteran enjoys a happy "reunion" with his mother in Hastings, Nebr. Wounded down to Lackland Air Force Base, Texas, are met by the Red Cross, official welfare agency of the armed forces, which provides many services for the evacuees at their first Stateside stop. The Red Cross free phone call rates tops with these men.

Soldier's Pet Bulldog Kills Killeen Baby

KILLEEN, Feb. 21— A soldier's pet bulldog chewed a 3-year-old girl to death Wednesday.

The mutilated body of Consuela de la Pena was found shortly after noon by the dog's owner, Master Sgt. C. E. Tucker, who is stationed at Fort Hood.

The girl was the daughter of Lt. and Mrs. Miguel de la Pena. Her father is in Korea. He formerly was stationed at Fort Hood.

Justice Len Jones returned an inquest verdict that said the girl died "after being bitten and chewed upon

the face by a bulldog."

Mrs. De la Pena said the little girl left home about 9:30 a. m. She later became concerned about her daughter's absence and began a search. The tot's body was found near a shed to which the dog was chained.

Sergeant Tucker said the dog never had been vicious before and it often played with other children in the block.

Mrs. E. J. Mims of Lexington had an operation at St. Edward Hospital Tuesday of this week and is doing fine. Mrs. Hardney Kelley also of Lexington has been with her and returned to her home Thursday.

"GIVE ME THIS '51 DODGE for long life...dependability"

"I've driven Dodge cars for years...know from experience that you just can't beat a Dodge for **DEPENDABILITY**"

—Says Don B. Alford, Chicago, Ill.

Here's why Dodge delivers more miles per dollar

EVERYTHING about this great new '51 Dodge—the way it looks, feels, rides and handles—tells you that here's a car that's built to last.

It's a car that's stunning to look at, with plenty of head, leg and shoulder room—a car that's engineered from bumper to bumper to last longer, go farther and deliver more miles per dollar over the years to come.

Spend Five Minutes With Us

Five short minutes behind the wheel will tell you why this is the car for you—for the years ahead.

You'll find that the new Oriflow Shock Absorbers not only give you a truly new kind of ride—but the resulting smoothness and freedom from wheel "hop" and "bounce" mean less car wear, prolong car life. Driving is easier, safer, tension-free.

Famous Dodge Fluid Drive, with its smoother starts and stops, "cushions" all moving parts from engine to the rear wheels—adds to the life of your Dodge, helps give better tire mileage, lowers maintenance costs.

Come In Today

See how you could pay \$1,000 more for a car and still not get all the extra room, handling ease, rugged dependability of this new '51 Dodge.

NEW KIND OF RIDE! New Oriflow shock absorbers let you float down roads so bad they stop other cars. No wheel "hop" or bounce, no pitch or side-sway.

GYRO-MATIC, lowest priced automatic transmission lets you drive without shifting. Safer, too, because you retain full control of the car at all times.

The 1951 Dependable

DODGE

Just a few dollars more than the lowest-priced cars

S. E. BROGDON—

(Continued From Page One)

all these years. Ninety per cent of Life Insurance in the United States is written by 10 per cent of the agents and 10 per cent of the business is written by 90 per cent of the agents. One of the main factors in the success as an Insurance agent is the proper schooling and education an agent receives before they are qualified as an agent.

Advertising has played an important role for the increasing success of many of the companies today. The Southwestern Life Insurance Company has had an extensive advertising program in progress during the past year and from all indications it has been a very beneficial undertaking.

Mr. Brogdon has a remarkable record with the company and his many friends are congratulating him upon his continued success as an agent of one of the leading Life Insurance Companies in the southwest.

Mrs. E. E. Smith is visiting her father, Chesley Bain at Angleton this week.

Miss Ladelle Quillin visited Miss Billie Ruth Crowder at Hearne Sunday.

W. A. Jones, Oilman Buried In Kentucky

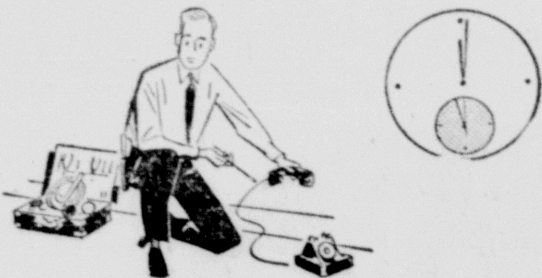

Funeral services for W. A. Jones, 69-year-old oilman were held in Rockdale, February 26. The body was taken to Smith Grove, Kentucky, for burial. Mr. Jones died in a Temple Hospital Sunday following a heart attack.

A native of Kentucky, Mr. Jones came to Rockdale some thirty years ago from Oklahoma and was interested in the Minerva Oil Fields. He and associates built the Minerva oil refinery. Jones was also known among the catlemen's fraternity in Central Texas.

The survivors are his widow, two sons, Harold Jones of Minerva, P. K. Jones of Lockhart, a daughter, Miss Mabel Jones of Minerva and four grandchildren.

All in a Year's Work

MUCH HAS BEEN DONE IN 1950 TO BUILD A STRONGER, BETTER TELEPHONE SYSTEM IN TEXAS

Telephone installers were busy... connecting 557,650 telephones during the year, an average of one every 57 seconds. Back of this activity was a rapidly growing telephone system. Fifty-three new buildings were completed or started... enough dial and switchboard equipment was installed to serve 146,000 telephones... 131,000 telephone poles were placed... more than 1,164,000 miles of wire were added to the system.

Growth Is Expensive... Gross construction cost in Texas last year was \$82,623,000. That's an average of \$84.31 for each of the 980,000 people in all walks of life who help we must have to pay for expansion and improvement of telephone service—the people who have invested their savings in the telephone system.

WE CAN'T STOP GROWING NOW

The need for telephone growth is far from satisfied. It is imperative that we meet fully the service demands for defense, both military and industrial. Now, as never before, improved telephone company earnings are important—for only adequate earnings can attract new investment money needed to expand the telephone system.

Recent Bride Is Honored With Shower At The Newton Home

Mrs. James Mortimer, the former Lora Anna Peed, recent bride of Corporal James Albert Mortimer, was honored with a shower at the home of Dr. and Mrs. W. R. Newton Jr., Thursday night, February 22 from 7:30 to 10.

The employees of the Newton Clinic and Newton Memorial Hospital were invited guests. A number of spirited games were played during the evening. Other than the employees present were the honoree's mother, Mrs. Ed Peed, her sister, Miss Edna Peed.

The table was laid with a hand made Mexican cloth, and was centered with a beautifully decorated Easter tree in colors of pink, white and green, the color theme which was carried out in refreshments and decorations. At one end of the table was the punch service with Miss Sproull presiding. Cake square topped with pink icing was served by Mrs. J. J. Martin. Other refreshments offered were open face sandwiches, chicken salad sandwiches, pickles, olives, and coffee.

Each guest presented the honoree with a piece of china in her chosen pattern which completed her set.

Sunday School Class Entertained At The Herbert Colburn Home

The Women's Adult Class No. 2 of First Baptist Church entertained with a social at the home of Mrs. Herbert Colburn on East 13th Tuesday night, February 20.

Mrs. Leroy Raley was in charge of entertainment and a number of games were used for diversion. The hostess carried out the George Washington motif using red, white and blue carnations for decoration.

Guests for the evening were husbands of the members of the class and Mrs. Roger Dyer, sister of Mrs. Colburn of Lake Charles, Louisiana. Approximately thirty were present for the occasion.

A delicious spaghetti supper with salad, pie and coffee was served at the conclusion of games.

Mrs. E. A. Flinn Hostess To History Club Saturday

The Cameron Garden Club met at the home of Mrs. E. A. Flinn on East 13th Saturday morning February 17 with Mrs. Flinn as hostess.

Mrs. B. F. Robinson, presided over the business meeting and two new members were elected, Mrs. Roland Carr and Mrs. W. A. Bonds.

Mrs. Emory B. Camp was elected as the new president and other officers elected for the coming year are as follows: Mrs. J. C. Martin, first vice-president; Mrs. B. F. Robinson, second vice-president; Mrs. John Henderson, secretary; Miss Katherine Flinn corresponding secretary; Mrs. O. B. Harden treasurer; Mrs. W. G. Gillis, parliamentarian and Mrs. James Watson, time keeper.

Mrs. Gillis gave a round table discussion on "Horticulture."

Mrs. H. F. Smith presented the club with a mahogany gavel she brought from Jamaica. The next meeting will be held at the home of Mrs. Hilton Culpepper in March.

Pfc. Billy Hawk Is Honored On Birthday

Mr. and Mrs. Joe Hawk of Cameron honored their son, Pfc. Billy Hawk with a birthday dinner Sunday at their home. Pfc. Hawk was twenty one February 16.

Pfc. Walter Montague of Boston, also stationed at Sheppard Field, special buddy of Pfc. Hawk was present for the occasion.

A delicious turkey dinner with all the trimmings was served to 30 guests. The birthday cake of chocolate chip chiffon was made by his fiancée, Miss Sylvia Hughes of Jones Prairie.

Others among those present included his older brother, Pvt. Johnnie Joe Hawk of Fort Hood and his fiancée, Miss Orvaline Butler, of SHSTC, Huntsville, Billy's maternal grandparents, Mr. and Mrs. T. W. Garrett of Bryan, Mr. and Mrs. Bobbie Garrett and sons, Gary and Jules, Mrs. Henry Garrett, Mrs. Robert Todd and daughter, Mary Elizabeth also of Bryan, Mr. and Mrs. Orval Butler, Kenneth and Polly of Wortham, V. W. Jimmy and Butchie Hawk, Mrs. Blasienz and Pvt. Bill Sides of New York stationed at Fort Hood, Mr. and Mrs. Victor A. Hughes and sons, James Frank and Jon of Jones Prairie.

Mr. and Mrs. Neil Horstmann and son, Larry Neill of Richmond, California have returned home after an extended visit in the home of his parents, Mr. and Mrs. A. M. Horstmann here. They motored home in a new "Hornet" Hudson.

Three Arts Club Is Entertained With Tea At The Kestenbaum Home

Mrs. Dana Kestenbaum and Mrs. Bob Wells were gracious hostesses at a Tea for the Three Arts Club at the beautiful new home of Mrs. Kestenbaum in Green Addition Thursday afternoon.

The home was artistically decorated with arrangements of red, white and blue carnations, tulips, snapdragons and iris.

Each member invited a guest and approximately sixty were present for the occasion.

The patriotic theme was carried out in the refreshment courses with the hostesses serving cherry tarts, red, white and blue sandwiches, salted nuts, tea and coffee. Mrs. June McKeown assisted in hospitalities. The club recently donated \$20.00 to the March of Dimes Fund.

The T. R. Allens Move Into Their New Home

Mr. and Mrs. T. R. Allen have moved into their beautiful new home three miles east of Cameron on the Hanover road. The Allens are formerly of Houston.

The home of modern architectural design was recently completed by Mr. Allen who is a building contractor.

Mr. Allen has contracted numerous exclusive homes in Houston and South Texas, among them being the modern architectural home of the Randall Kunzmanns that was featured in Life magazine recently.

Mrs. Allen will be remembered in Cameron as the former Winifred Bickett, daughter of Mrs. A. W. Bickett, pioneer resident of Milam County and the late A. W. Bickett.

The John Solomons Hold Open House At Presbyterian Manse

Rev. and Mrs. John C. Solomon were hosts at Open House for the congregation of the First Presbyterian Church at the Manse on Wednesday evening February 21 from 8 to 10.

In the receiving line were Rev. and Mrs. Solomon, Mrs. R. D. Brown, Mrs. Edwin Adams, Mrs. Hugh Smith and Mr. and Mrs. John Muse. The affair was held immediately following Prayer Meeting at the church.

Mrs. James Watson and Mrs. Homer McLane alternated at the coffee service, with Mrs. Jerry Schiller and Mrs. Albert Retig offering cookies and mints. Misses Helen and Ruth Reichert poured punch. Other women of the church assisted in the kitchen. Approximately seventy-five members and visitors called during the evening.

MAYSFIELD NEWS

Sixty women of the WSCS attended a meeting of the Bess Triggs zone meeting in Maysfield Wednesday.

Rev. Robert Slimp, pastor attended the WSCS meeting.

Mr. and Mrs. Willard Cooper attended church services here Sunday.

Rev. Exel Coon and family were Sunday dinner guests in the W. C. Freeman home.

Mr. and Mrs. Elbert Broughton of Smithville visited Mrs. J. H. Ireland Wednesday.

Mrs. Lou Childers and children of Bay Town are visiting homefolks.

Miss Jane Freeman visited homefolks here Sunday.

Mr. and Mrs. Angel Patsky of Cross Roads attended church services here Sunday.

Mr. and Mrs. Tommy Gleason of Freeport visited here Sunday.

Mrs. Vina White, Mrs. Bill Thweatt, Mrs. J. H. Ireland, Mrs. John Thweatt, Mrs. W. C. Freeman, Mrs. Roy Weems and Mrs. Elbert Hollingsworth attended a zone meeting in Rosebud recently.

East Texas CC Announce Appointment of Milam Co. Men On Committee

Officials of the East Texas Chamber of Commerce have announced the appointment of L. Van Perkins as community chairman of Cameron. Other community chairmen of Milam County are: Cecil Criswell, Buckholts; and Bill Cook, Rockdale.

County Chairman, Henry Siebman of Cameron selected these men to work with him in raising his county's quota for the regional chamber and to help keep citizens in the county informed of the work of the East Texas Chamber.

Hubert M. Harrison, general manager of the regional chamber, said, "We are indeed fortunate in these appointments and will look forward

Christian Church Honors Pastor With Fellowship Dinner; To Leave For Mississippi

The monthly fellowship dinner at the First Christian Church was attended by seventy members and guests. The tables were decorated in red, white, and blue with miniature logs and hatchets carrying out the George Washington motif, since it was on his birthday. The head table was centered with a flower arrangement backed with a large Gold horse shoe with the center reading "Good Luck to the Carrs." Smaller horse shoes were on the other tables with tiny vases of flowers. Rev. Carr will leave this week with his family for Gulfport, Miss.

At the conclusion of the banquet new members coming into the church the past month were introduced by the pastor and each presented with a small testament. Mrs. Dow Eplen then read a beautiful tribute to the Carrs and in appreciation presented him with a gift.

Rev. Carr, on opening his "Stetson Hat Box" found it misleading, as he had to open four more boxes, finally opening a small box containing a miniature car. Taped beneath the car was a "Certificate of Title" containing a bill and it did not have the picture of George Washington on it. Rev. Carr told them as he expressed his deep appreciation.

Next on the program was a playlet, "The Pearly Gates." The cast included: St. Peter, Mrs. Frank Reid; The Four Angels, Mrs. Dow Eplen, Mrs. Alvin Witcher, Mrs. A. Longmire, Mrs. Calvin Markham; The Devils Helper, Helen Reid; The Two Heavenly Children, Bobby Witcher and Rita Reid. Stacks of Victrola records were in orderly piles on the table. At the right was a tall wire gate with a big sign "The Pearly Gates." At the left the Devil and his little helper, dressed in red suits with horns, attended their fire with long forks. During the evening Bennie Archer, A. Longmire, Mrs. O. D. Graham, Ray Burke, Mrs. Wendell Carr, and Rev. Carr were brought to the "Pearly Gates" and their "records" checked by St. Peter while the "Angels" pronounced their "doom." This caused much laughter. The play ended by the cast singing "Swing Low, Sweet Chariot."

At the close all present joined hands, forming a large friendship circle while the benediction was said and the closing song, "Into My Heart" was sung.

Barbara Burnette Buried In Oak Hill

Barbara Lanell Burnette, 9 died in the Jeff Davis Hospital in Houston Friday February 9.

Barbara Lanell had been a patient at the hospital for several days under treatment for diphtheria where her condition became critical only a few minutes before she passed away. She was the daughter of Mr. and Mrs. R. G. Burnette of Katy, Texas and former residents of the Splawn Community. She was the granddaughter of Mr. and Mrs. G. W. Baskin, and Mr. and Mrs. Burnette of Hobgood, North Carolina.

Funeral services were held at the Cypress Church, February 11 and was brought to the Marek-Burns Funeral Home for a short service. Interment was in Oak Hill Cemetery.

Surviving are her parents Mr. and Mrs. R. G. Burnette, one brother, Bobby, two sisters, Lydia Jeanette, and Eudora Olivia, all of Katy, her grandparents, Mr. and Mrs. G. W. Baskin and Mr. and Mrs. Norman Burnette, a great Aunt, Mrs. R. K. Anderson and her aunt Mrs. John Brashear of Cameron, and an uncle, John Jinks of Splawn also survive.

to constructive and pleasant year as we work together for the development of East Texas."

Community chairmen will serve as contact men in the communities for the East Texas Chamber and will head the community's delegation to the regional chamber's convention in Waco April 19-20, Harrison announced.

Mr. and Mrs. Ray Boatright visited in Crawford the past week end.

Linda Sweaks Visits Friends In Cameron; Must Have Another Heart Operation

Little Linda Sweaks of Hearne, and formerly of Cameron visited the Herald office recently. She was accompanied by her mother and sister.

Linda is the blue baby who was sponsored by the Herald a few years ago and underwent a delicate heart operation to save her life. The operation was performed in Dallas and since that time Linda has shown marked improvement. She has gained several pounds and is growing taller. She is extremely active and is always thrilled and bubbling over when she visits in Cameron. Her hair was done in pigtails tied with colorful bows and she was wearing a cute new dress with high white boots.

Linda is the little daughter of Mr. and Mrs. Claude Sweaks who had just returned from Dallas where she had been for a check-up. The doctor says Linda must have the same operation again to enable her heart to function properly. They plan to take her back to Dallas in a few months for the operation. Linda will be four years of age next October.

Mrs. Grady Gill, Bonnie Gill and Mrs. Minnie McFarland were in Marlin Saturday where Mrs. McFarland received treatment at the Torbett Hospital.

Mrs. Mark C. Magers To Present Dramatic Reading At Local Church

The Women's Society of Christian Service and the Wesleyan Service Guild of the First Methodist Church are presenting Mrs. Mark C. Magers in a dramatic reading, entitled, "Behold Your King," by Florence M. Bauer on Thursday, March 15 at 7:30 P. M.

Mrs. Magers is director of the Cameron Chorals and is active in both church and civic work in the city. She will present the reading in the Sanctuary at the First Methodist Church. The public has a cordial invitation and an admission fee will be charged.

Proceeds will go to the many church activities the women have planned for the year.

Milano F. H. A. Chapter Attends District 5 Meeting At Rogers

The Milano F.H.A. Chapter attended the Area II District 5, meeting Saturday February 10th at Rogers, it was disclosed by Maribeth Fisher. Nineteen girls and three boys were present for the affair from the school.

Representing Milano for F.H.A. Sweetheart and Pin-Up were Bobby Jo Brashear and Rex Gay. Thersa Silvia also from Milano was elected new district song leader. She also won third place in the talent show.

The first three winners of the talent show have been invited to the F. H. A. meeting in Mexia sometime in March. All reported a nice time at the meeting, and always look forward to these events.

TONS OF ENVELOPES, yellow, pink and green, are being prepared for mailing by handicapped people at the Texas Society for Crippled Children in Dallas. Approximately one million of these envelopes—one of the largest mailings of the year—will be turned over to Uncle Sam the last of the month, according to Martin M. Ricker, Executive Director of the Texas Society. They will contain Easter seals, and a request to use them and return a donation for the benefit of Texas crippled children.

This picture was made in the Sheltered Workshop where the Texas Society employs handicapped people who would not otherwise be able to earn wages.

Annual Farm Day Big Success Here

Approximately 1,200 Farm Bureau members and visitors attended the Annual Farm Bureau Day Celebration held at Simon-George Memorial Hall, Tuesday February 20.

Formalities began around 10 A. M. and a most enjoyable program of fun and entertainment climaxed with basket dinner at the noon hour was enjoyed. It was one of the best affairs the organization has staged during its four years in Milam County.

B. O. Spivy, County Agent of Lee County acted as master of ceremony and the program consisted of musical numbers, declamation contest, tap and ballet numbers, speeches, chorus numbers and others.

Winners of the Declamation Contest and the prizes received have been announced and are as follows: First Place, David Krause of the Burlington Parochial School, \$15.00; Second place, Stanley Weid of Burlington Public School, \$10.00; Third Place Rex McClaren, \$5.00. Fourth and fifth places were awarded to Barbara Jo Ealand of the Milano High School and Douglas Williams of the Buck-

holts High School respectively, who received appropriate gifts. Judges were Mr. and Mrs. Arvell Reat of Giddings, Mr. Reat is president of the Farm Bureau in Lee County and Mrs. George Clark of Lorena who is secretary of the McLennan County Farm Bureau.

Two registered sow pigs were awarded to Billy Yount of the Watson Branch Community and Joe Walzel of Buckholts. It has been the custom in the past three years to have a Queen Contest sponsored by the Bureau but this year the boys were given a chance to enter the pig contest and compete for prizes.

A large number of visitors were present for the affair and the directors and committees in charge of arrangements express their appreciation for the cooperation and assistance of all the clubs, organizations and individuals who helped make the event such a big success.

Total Number of Men Inducted From County Issued By Board

Since the beginning of the Selective Service act, 281 men have gone for Armed Forces physical examinations from Milam County. Of these 213 have been ordered and sent for Armed Forces Physical Examinations since the outbreak of the Korean War.

Sixty-Eight (68) Milam County men have been inducted into the service since the beginning of the 1948 Act and of these 63 have been inducted since the outbreak of the Korean War.

During the month of March, 28 men will be called for physical examinations and 15 for induction.

Hugo Aigner of Ben Arnold was a business visitor in Cameron last Saturday.

The Sports Club Elects Officers This Week

The Sports Club at the Ada Henderson School elected officers at a recent meeting it was disclosed by Coach Don Ross.

James Perry was elected president, Buddy Thompson, vice-president Claude Sanders, sergeant-at-arms and Wayne Miller, secretary.

Program Chairman for the Eighth Grade are Dicky Scott and Gray Cox; chairman for the Seventh Grade are Marshall Caraway and J. L. Kirk. The Club meets on Monday, Wednesday and Friday. The Eighth Grade has the program on Monday, Coach Ross on Wednesday and the Seventh Grade on Friday.

Mr. and Mrs. Joe Robinson, J. H. Angell, Edna Myrl Angell and Mr. and Mrs. Buck Angell and family, Mrs. Dave Angell of Cameron and Mr. and Mrs. C. O. Angell of Rockdale attended the funeral of Mrs. Hallie Angell at Houston Saturday, February 17.

Heart Association Appeals For Funds

Exciting news about man's struggle against heart disease has been headlined in the nation's press in the past three weeks since February is the month for the Heart Drive.

The Heart Drive of Milam County is being sponsored by the American Legion with Commander Joe O'Neill as county chairman. The Red Hearts have been placed in all the Business establishments in the City and other places in the county.

Recent research work done by the American Heart Association and its affiliates, indicate that we may be on the threshold of important new discoveries in the treatment and control of the gravest threat to the public health today.

Heart disease can effect every one of us at any age or standing in the community. Annually, disease of the heart and blood vessels kills more than 600,000 Americans.

Each citizen should clearly realize his role as an investor in the business of continued research, health education concerning heart disease, and the development of community cardiac programs to bring the benefits of new knowledge directly to the individual.

The American public and the doctors today are vastly better informed about the human heart and its care than in the days before the Heart Association launched its Community Education program. Your Contributions to the Heart Fund make possible the benefits of the latest advances in prevention, diagnosis, treatment and care for cardiovascular or heart diseases.

Children's Clinics have been established to provide complete diagnostic facilities for the early recognition

of rheumatic fever and other heart conditions among children. Seminars sponsored by the Heart Association are attended by physicians who come to learn about the most recent advances in the fight of numerous heart disease and often the public is invited to attend these forums and ask questions about the various aspects of heart diseases.

The Association reminds us that, by contributing to the Heart Fund, we are giving nothing away. In reality, we are making a wise investment that will pay dividends in better health and longer life and people should realize the amount of good the association is doing over the entire nation and make their donation to the Heart Fund Soon.

CARD OF THANKS

We wish to express our appreciation to our many friends who were so kind and thoughtful during the recent loss of our little daughter, Barbara Lanell. For the many lovely flowers, words of sympathy and other kind considerate deeds we are deeply grateful. We trust that God will be gracious to you throughout the days to come.

Mr. and Mrs. R. G. Burnette
Bobby Burnette
Lydia Jeanette Burnette
Eudora Olivia Burnette.

Federal Crop Insurance Best For Farmers From Business Standpoint

More than ten years of actual experience operating Federal Crop insurance has provided graphic illustration that from a business standpoint all farmers need crop insurance protection. This is shown by the fact that many counties where the risk of loss was considered low have failed to build reserves and some are far in the red while others where the risk was considered very high have built reserves of more than a half million dollars to cover future crop disasters. Experience teaches that you can't "guess" the actual risk in producing a crop or predict which farmers will have crop failures. It reveals, too, that crop failures will occur every year and do occur on farms in counties where those involved had been confident that "they would never make that low."

Crop losses are usually unexpected. Like other disasters they seem to come when least expected and when the farmers has to protect and not since insurance is a business protection, its basic value derives from what the farmers has to protect and not from an attempt to forecast the future by guessing if or when or how often he can expect to collect from protection against losses beyond his control.

Since every farmer plans for a big harvest every year many do not realize the risk involved in their farming operation. If their farming experience has been consistently good, they are inclined to think that the good experience of the past is a guarantee that it will continue to be in the future. From a business standpoint this is just as short-sighted as being sure that you will never need to go to the hospital because you never have in the past.

Mr. Atkinson Patient In Local Hospital

Lubert Atkinson, well known farmer and rancher of the Maysfield Community is seriously ill in the St. Edward Hospital.

His condition was reported satisfactory during the past two days but is still considered of a serious nature. Mr. Atkinson has been confined to the hospital for almost two weeks and his many friends regret to learn of his illness and hope he will be up and about soon.

SON TO THE RUMMELS

Mr. and Mrs. Harry Rummel announce the arrival of a baby son at Dallas Hospital Wednesday, February 21, 1951. The baby weighed seven pounds and has been named, Harry. The mother is the former Lorene Zalesky of Buckholts. Grandparents are Mr. and Mrs. John Rummel of Burlington and Mr. and Mrs. Zalesky of Buckholts.

Dick Depew of Dallas was home for the week end.

Mrs. V. P. Wooley is ill and in Newton Memorial Hospital. Her many friends wish her a speedy recovery.

Mr. and Mrs. Buster Robinson of Galveston, Mr. and Mrs. C. R. Moon of Austin and Miss Jo Ann Ethridge of Fort Worth were week end guests of Mr. and Mrs. Claude Robinson.

If you've ever been overseas you can testify that one can get as drunk on water as on liquor.

Ko-Reds Escape The Allied Pincer

(From the Daily)

TOKYO, Feb. 26 (Monday)—United Nations forces, their advance mirrored in the mud of Central Korea, beat off four Communist counterattacks Sunday along the 60-mile-wide mountain front.

Chinese Reds hurled a column of grenade-tossing banzai-charging infantry at South Koreans attacking west of Hoengsong, a no-man's land fifty-miles east of Seoul. Farther east American forces repulsed three other Red attacks.

Allied officers admitted Sunday that most of the 14,000 Korean Reds they had hoped to trap in the central mountains had escaped the Allied pincer closing in from the east and west.

Forward American elements were operating completely out of ground contact with their rear echelons. Flooded streams and muddy roads, caused by rain and a prespring thaw, bogged down truck convoys and supplies.

On a hurry-up call, the Far East Air Forces big C119 Fairchild "Flying Boxcar" transports air lifted 915 tons of supplies from Japan to Korea.

Of this amount, a record total of 340 tons of ammunition, food and medicine was dropped directly to front line units.

In Western Korea, the Reds hurled heavy barrages of artillery and mortar fire on the approaches to Seoul and built up concentrations of men and supplies northeast of that Communist-occupied capital.

Aside from the four central front counterattacks, however, all battlefronts were comparatively quiet.

South Koreans of the IX Corps engaged two Chinese battalions Sunday about one mile southwest of Hoengsong.

Americans held the high ground overlooking Hoengsong—a battered highway town held by neither side—while South Koreans advanced slowly about one mile west.

Air observers emphasized that strongly-held enemy positions still ringed the ridges north of Hoengsong. The greatest concentration of Red firepower guarded the main highway leading northwest to Hongchon which is seventeen miles north of Hoengsong and twenty-two miles south of the thirty-eighth parallel.

Knights Of Pythias To Observe Annual Founding Celebration

The Knights of Pythias Milam Lodge No. 125 will celebrate the birthday and founding of the organization tonight at the I. O. O. F. Hall at 7:30.

A proclamation was issued recently by Clive Pierce, Grand Chancellor of the Knights of Pythias of Texas concerning this celebrated event.

A program has been planned and all members of the organization are to invite their wives and visitors. This fraternal organization is founded upon eternal principles of Friendship, Charity and Benevolence that set forth to teach Majesty of God, loyalty and devotion to those in need and promotes good will among men.

A refreshment hour will follow the program and a large attendance is being expected.

Mr. and Mrs. Denson Kirk of Dumas who have been visiting relatives and friends in Cameron the past week were in Houston over the week end.

J. A. Mann of Buckholts was a visitor in Cameron recently.

Governor Shivers Has Designated March 4-11 As Public School Week

In designating this week of March 4-11 as Public Schools Week in Texas, Governor Allan Shivers has urged all citizens to visit the public schools in order to see the great progress being made in our educational system.

Hundreds of Public School Week committees, named in nearly every city and town in Texas, are promoting interest in the program as outlined by the governor and in a joint resolution adopted by the Texas House and Senate.

Theme of the program is "The Public... Democracy in Action." Objective is to acquaint all the people with the programs and accomplishments of the public educational systems.

"The little red schoolhouse which was the symbol of public education a century ago has expanded into a network of elementary and high schools, junior colleges and senior colleges," the Governor said.

"It has been a great cooperative venture... we like to believe... that the opportunities afforded our children for a sound basic education are not excelled anywhere. If we are justified in this conclusion it is only because our citizens have shown a personal interest in education and because public-spirited men and women have been willing to devote their lives to the teaching of our youth.

"It is of paramount importance that this civic interest be strengthened and that those in the teaching profession be supported and encouraged in their efforts," Governor Shivers declared.

I urge every citizen to visit a public school during this period to become personally acquainted with the programs and accomplishments of our educational system," he concluded.

Dogwood Trail Plans Blasted By Ice Damage

Palestine, Texas, Feb. 25—Texas' big ice storm knocked out this year's dogwood trails, the free wild flower show that attracts thousands of visitors from throughout the United States each spring.

Directors of the show, headed by W. Mitchell, Jr., announced Saturday that the show for 1951 has been called off because the setting in Davey Dogwood Park was wrecked by the great ice storm which struck this area 10 days ago.

The 1951 trails had been scheduled to open April 1 for two weeks. The trails through the hilly 400-acre park were ready. New facilities had been built, and arrangements had been made for staging the show. Then the ice struck, blasting park and plans alike.

Mr. and Mrs. Grady Goodwin and son of Bryan visited a few hours in the homes of Mrs. Minnie McFarland and Mrs. G. M. Goodwin the past Wednesday.

Wallace Colburn and Denson Provasek made a trip to Dallas Saturday.

G. W. Blansett visited in the W. G. Lock home near Rogers Monday.

Lt. Lucian Kruse Is Stationed At Fort Sam Houston

Lt. Lucian Kruse, son of Dr. and Mrs. A. E. Kruse, made the Fall Semester Honor Roll at Texas Technological College, at Lubbock.

Lt. Kruse is a graduate of A & M College and has been working on his masters' degree and was awarded a fellowship by the college in animal husbandry. He was recently called to active duty with the army and is now stationed at Fort Sam Houston, San Antonio. This week he was in charge of a convoy of recruits being transferred to Alabama. He is well known in the city here.

Federal Crop Insurance Offers Lower Premiums

Federal Crop Insurance offers the County and its farmers an important opportunity to increase the stability of farming operations. Both the need farmers for crop investment protection and the tremendous business potential of such insurance naturally has long been recognized by private insurance companies. Yet only a few short lived attempts have been made by private companies to write such insurance. The only sound reason for private capital entering the crop insurance field is to make a profit by providing this protection to farmers.

The Government's experience with protecting crop investments against loss from unavoidable causes has probably decreased the interest of private capital in the field of insurance.

The Government has obtained experience on a very large scale which that this protection is very high risk even in the steadiest producing areas. This same protection, if offered by private capital, would require such high premiums to pay, indemnities, operating costs, build reserves and provide profit. Mother nature is still too unpredictable for even the great improvements in farming methods and materials to encourage business men to risk their capital as a profit venture in the field of "all-risk" insurance on growing crops.

For any information concerning the Federal Cotton Crop Insurance Program see your Community Committeeman or call at the Milam County PMA office.

Mr. and Mrs. A. O. Jackson and daughter, Linda of Bryan were week end guests of Mrs. Oscar Pattillo and other relatives here.

We are proud that we keep our prescription service abreast of the rapid strides being made in medical research. We can fill every prescription.

Boy Scout Circus Plans Are Made In Waco

Final plans for the "biggest show on earth," the Boy Scout Circus to be held in Waco April 27, were discussed by 44 Scout representatives from nine counties at the James Connelly Air Force Base Officers' Club Sunday afternoon.

Seventy-five units from the nine-county area will participate in the show, Larry Higgins, participation committee chairman, announced. All phases of Scout work will be shown.

After the general meeting the separate committees held meetings to discuss final plans and appoint sub-committees.

Program Chairman George Sauer announced chairman for separate sections of the circus. They are: Prologue, U. Thompson, Waco; grand entry, Ralph Buchanan, Waco; cubbing, Larry Higgins, Waco; types of camps, Rip McKenzie of Mexia; pioneering event, Rev. C. A. Higgins, Waco; communications, C. B. S. Edmundson, Temple; physical fitness, Dr. James Mason of Baylor University; Negro Scouting, J. M. Johnson, Waco; and grand finale, Gordon Blair.

Lieut.-Col. M. B. Bardell of the arrangements committee said a 40-foot backdrop will be built at the site of the circus tent, featuring the Scout symbol and a picture of a Boy Scout.

The representatives were entertained by a group of Explorer Scouts from Hamilton, who performed Indian dances.

Virgil C. Wall Has Enlisted In Air Corps

Virgil C. Wall, son of Mr. and Mrs. Frank L. Wall of Gause, enlisted in the United States Army, Tuesday according to information received by M-Sgt. Albert H. Cobb of the Temple U. S. Army and U. S. Air Force Recruiting Station.

He was enlisted at the Waco Recruiting Main Station and was sent to Fort Sill Oklahoma for initial processing and re-assignment.

Pvt. Sam Hood Smith who recently enlisted in the U. S. Army is stationed at Fort Jackson, South Carolina. Pvt. Smith is the son of Mr. and Mrs. C. E. Smith of Cameron.

\$2,000 Quota Set For One Day Drive

The "Dawn to Dusk" Boy Scout Drive for 1951 got underway this morning with a kick-off breakfast at the Cameron Country Club that was attended by approximately 45 enthusiastic workers, Richard Bush, District Chairman, said Tuesday morning.

Mr. Bush served as chairman in the absence of Don Humble, local attorney, who is ill in a Cameron Hospital. Mr. Humble is Campaign Director of the current drive.

Pat Taggart, of Waco, Finance Chairman of the Heart O'Texas Council, encouraged the group with a brief discussion on the advantages of contributing to scouting. He said, "the boy scout movement is so deeply ingrained in us that God and the scouts can do great good. Scouting justifies itself because to a great extent, it helps us to overcome juvenile delinquency and is designed to teach citizenship and other good qualities of man." He is well known in the city of Cameron and is a leader in municipal affairs of Waco as well as a member of a number of civic organizations in that city. He devotes much of his time to scout work and activities concerning its movement in central Texas. He is Business and Advertising Director of the Waco News-Tribune and is one of the up and coming young businessmen of Waco.

Harvey Price, Scout Executive of the Heart O'Texas Scout Council, was present at the affair and distributed collection kits to each of the Ranch Foremen, Bosses and Ranch Hands. He said there are approximately 400 people to be contacted in Cameron and with the number of active workers, there would be no great task on any one individual. Instructions were given the workers.

Mr. Price is well known over Central Texas for his interest and connections with boy scout work. Scouting has been on the up-grade in Milam County for the past decade and much interest has been created among civic leaders of the county as it is one of the most worthwhile movements now in progress over the entire state and nation. Considerable work is presently being outlined and plans are to accelerate the scouting movement within the next few months.

It was encouraging to note that so many of the businessmen of the city were present for the kick-off breakfast promising to back the scout drive to the fullest extent with their time, efforts and support.

The groups were divided into Ranch Teams with a Ranch Foreman and ranch boss in charge of each team. Ranch Teams that will work during the drive are as follows: Early Bird Ranch, Calvin Markham, Foreman; Rev. John Solomon, Max Howard, L. W. Smith, as ranch bosses with August Knipp, John Davis, H. J. Wernli, Ed McGuire, Earl Moseley, Henry Siebman, F. H. Scarborough, Joe Richter, William North as Ranch Hands; Cache Ranch, Hinton Pruett, Ranch Foreman; Earl Curtis and Narvie Caperton as Bosses with Dr. Gus Evans Jr., James Brock, L. Van Perkins, Dr. George Bowman, and Sheriff Carl Black as ranch hands; Bar Nothing Ranch, Bill Richter, Foreman, Allen Dodson and Charlie Kunz as bosses, with Sam White, Coleman Duncum, Make McDermott, B. A. Slavik, Lincoln Mondrick, and Edward Schiller as Ranch Hands; Beech U Ranch, William F. Arthur, foreman, Gene Blake, Bob Gordon and W. T. Hanes as bosses with L. G. Smith, Tommy Kirk, Henry Siebman, Jack Slaughter, Bob Wells, Emory Camp, Mrs. Emory Camp, Grady Allen, Ray Burke, Ernest Burkes, Bert Nicholson, C. B. Jennings, E. C. Cole as ranch hands. Committee chairmen, ranch bosses and ranch hands have been busy making final preparation for the drive

Mr. Fred Lazek, Cameron representative of the brewery. This picture was taken at a meeting in Galveston on January 8th, of this year, where the 1951 Southern Select sales and advertising campaign was discussed with the 256 other members of the brewery's organization.

that will assure a Boy Scout program for Cameron during 1951. A goal of \$2,000.00 has been set and each dollar will be divided as follows: 24c for scouting activities, 34c for field services, 11c for training and promotion, 4c for council office expense, 21c for camping, 3c for advancement and 3c for miscellaneous.

Gene Blake will head the Prospect Committee and Rev. James McKeown is the Special Gifts Committee Chairman. Other committee members selected are: L. W. Smith, Vice-Campaign Director, Thomas Brashers, Audit Chairman and L. G. Smith Publicity Chairman.

Mr. Bush informed the group that there would be a meeting at 5 P. M. today, (Tuesday) in the Milam Coffee Shop to have each group make a report on collections.

FFA Convention Scheduled To Be Held In Houston

The Future Farmers of America, Texas Association, named Houston as the site of their 1951 convention at an executive meeting held in Dallas recently. This year's convention, said Weldor Mason, Meadow, Texas, president of the 34,000 member Texas organization, will be the largest and most elaborate in the F. F. A.'s quarter of a century in the state. Headquarters for the conclave will be the Shamrock Hotel and the date set is July 11-13.

Governor Shivers along with other state and national notables has been invited to address the farm youth.

Highlighting the conclave will be the award of scholarships and prizes totalling over \$10,000 in value of outstanding of young farmers. The prettiest farm girl in the state will be named the Texas Future Farmer

Sweetheart. She will be chosen from a dozen rural lovelies representing each of the 12 F. F. A. areas in the state. Miss "Sweetheart" and four runner-up princesses will be honored at a colorful coronation pageant on the lawn of the Shamrock.

July's convention ... number twenty-three for the Texas Association ... will feature the participation of major national firms dealing in the farm market.

Rev. J. W. Archer To Speak Tonight At Local Church

Rev. J. W. Archer, Missionary from Mexico City will be a visiting speaker at Cameron Gospel Tabernacle Church tonight at 7:30.

Rev. Archer has the largest Missionary broadcasting station in Old Mexico, and Rev. Bowley, Pastor of the church is extending an invitation to the public to hear Rev. Archer's message tonight.

Thorndale Girls And Milano Boys Winners In Region V. District

Community Choir Will Meet Tonight At 7; Choirs Of The City Urged To Be Present

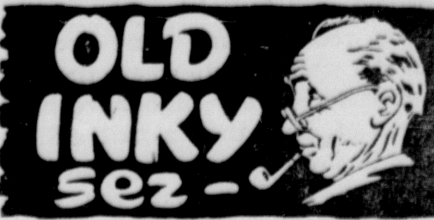

(From the Daily)
The Community Choir will meet tonight at the First Methodist Church at 7 o'clock for rehearsals in preparation for the Easter Cantata to be held sometime during the Easter Season, it was disclosed by Vivian Carlton.

The Community Choir is under the direction of Mrs. Joe Hickman and has presented these annual musical programs for several years. Much in-

The Cameron Herald March 1, 1951

terest has been created among the choirs of th churches in the city and surrounding areas and anyone who would like to sing in the coming event may come to rehearsals each Tuesday night at the church.

Mrs. Hickman is asking the continued cooperation of the choirs of the city again this year since more singers are needed. She is looking forward in presenting the well liked event.

The exclamation point is gradually going out of use. People aren't surprised at anything anymore.

When there are teen-agers in the house the living room is a misnomer. It should be called the loving room.

'Tis said that chorus girls are unsuited for their work.

Modern brides may not know the recipe for meatballs, but they can recite a dozen for highballs.

An aeroplane is the most useless thing on earth.

Speedup Draft Action For 18-Year-Olds

Washington, Feb. 23—Senate administration leaders Friday decided to speed action on legislation for the drafting of 18-year-olds before settling the troops-for-Europe issue.

Majority leader McFarland of Arizona told newspaper men after a Democratic caucus that Senate debate on the manpower bill will start early next week, probably on Tuesday.

The bill, providing for a universal military service and training program, would grant restricted authority for drafting 18-year-olds. It would also extend the period of service from 21 to 26 months.

Previously, the Senate had planned to take up the controversial question of sending more U. S. troops to Europe before debating the draft.

But McFarland said the change in plans was decided on because the draft measure is ready while an administration-backed resolution on the troops-for-Europe issue has not yet been drawn up by Chairman Connally of Texas of the Senate foreign relations committee.

Allies Seeking Main Red Force On Front

(From the Daily)

Tokyo, Saturday, February 24,—American infantry, battling mud and stiffening Red resistance, punched forward up to four miles in Central Korea Friday, threatening to seize at any moment the Communist stronghold of Hoengsong.

Friday night the tank-led doughboys held the commanding heights around the town. They looked down on its smoldering ruins from Red dug foxholes.

From all along the active 60-mile central sector came reports of increasing Communist stubbornness as an estimated 110,000 soldiers of six nations probed in quest of the main enemy force.

Despite toughening resistance, Allied officers speculated that they might not yet have met the main body of the enemy, estimated previously to total 40,000 in the line south of the 38th parallel on this central front.

Twenty-five miles east of Hoengsong, an American column raced four miles north of Pyongchang, straddling a vital road.

Still farther west, along the Hukchon River valley northeast of Chipyong, Americans patrolled deep in Red territory without contacting the Chinese. Other such Allied patrols met small arms and automatic weapons fire, however.

The whole United Nations front was within 35 miles south of the 38th parallel and South Korea.

24 Men Register During January

Local Board No. 92, Selective Service System, of Milam County reports that twenty-four young men in the county reached the age of 18 during the month of January and registered with the Selective Service System, as follows:

Bobby Ray Caldiron, Lucio Flores Bargas, Billy Joe Yager, Alvin Davis, Charles Henry Lewis, Johnny Joe Balcar, Ira Canady, Manuel Zapata Aldama, Willie Gadison, Nicademo Davilla, Nathaniel Ellison, Leroy Sanders, Doyle Verdis Urban, Charles Allen Lehman, Lonnie Lee Seaton, Virgil Lee Copus, Melvin Charles Lorenz, Clarence Henry Marx, Alberto Fuentes Pamacho, William Marcel Walker, Eddie Earl Lankford, John Edwin Todd, Leon Anton Absnider, John Martinez Perez.

March 8th Is Date For Father-Daughter Annual Banquet

The date for the annual father-daughter banquet, girl Scout and Brownie party has been set for March 8 and will be at the Simon-George Memorial Hall.

The date was set at a recent meeting of the Girl Scout Council and the leaders and Brownie leaders met Friday morning February 23 at the home of Mrs. Albert Horstmann and plans for the banquet were discussed.

Mr. and Mrs. C. E. Russell of Yarrington weerin Cameron Friday.

Board Reminds 18 Year Olds To Register

Local Board No. 92 reminds all 18 year old men that they are required by law to register with their draft board not later than five days after attaining the age of 18 years.

All men, between the ages of 18 and those born since 1922, are required to register, regardless of whether or not they have had previous service or are now members of the National Guard, active or inactive, organized or unorganized reserve components of the Armed Forces.

Their eligibility or ineligibility for induction under the present Selective Service regulations will be determined by the local board, after the questionnaire has been completed.

Every man born since 1922, who has not registered since June 24, 1948, must do so at once. Regardless of what their previous service or reserve status is now.

Local Beauty Operators Attends Convention

Mrs. Fay Kohutek, Mrs. Katherine Ondrej, Mrs. Lilly Richter and Mrs. Lorraine Arnold, local beauty operators plan to attend the big State Beauty Convention at the Adolphus Hotel in Dallas.

The convention was to begin Monday, February 25 and continue through Tuesday.

Among the many entertainments scheduled there will be two popular stylists, Charles Buntgens of Chicago and Bernice Corbet of Kansas City who will do hair styling and cutting.

The local operators were to leave late Saturday and plan to attend the three day convention.

Milton Schiller Attends Masonic Lodge Home-Coming at Floresville

Milton J. Schiller, well known Cameron businessman attended the Homecoming of Floresville Lodge No. 515, A. F. and A. M. Thursday, February 22.

Mr. Schiller is the past master of the Lodge and was one of the guest speakers on the program. He talked on the Masonic Life of George Washington. Approximately 150 outstanding Masons were present for the event.

The regular formalities were held during the day and at 6 P. M. a turkey dinner was served at the American Legion Hall. The program was held at the Masonic Hall.

Mr. Schiller has been very interested in the work of the Lodge and is very active with the local organization.

Mrs. Laura J. Baird Dies Thursday

Mrs. Laura Jones Baird, 92, died at the Saint Clair Convalescent Home in San Antonio, Thursday morning February 22.

Mrs. Baird was a native of Milam County, born in the Maysfield Community and was the daughter of the late Mr. and Mrs. Jesse Jones, early pioneer residents of that community. She has been confined to the home for the past seven years and had lived in both Cameron and Rockdale for a number of years before moving to San Antonio. She was born April 7, 1857 and was the widow of the late Dr. W. L. Baird. Dr. Baird was connected with the Citizens National Bank during the early days of the establishment and held the position of cashier at the bank. She was a member of the Baptist Church.

Gravside services were to be held

at the Pebble Grove Cemetery Saturday morning February 24, with Marek-Burns directing the arrangements.

Surviving is one nephew Walter Jones of Tyler.

Mrs. J. E. Pharies has returned to her home at Gause after visiting her daughter, Mr. and Mrs. Will Lake here. Mrs. Lake has been ill and in Newton Memorial Hospital. She returned home Wednesday and is very much improved.

LONE STAR GAS COMPANY

Power Company Granted Slight Increases In Rates

Application by Texas Power & Light Company for a small increase in electric rates was approved by the City Council at a called meeting Feb. 23, 1951. The increase to the average residential customer will be less than one and one-half cents per day, it was pointed out by Henry M. Siebman, manager for the Company.

"This is the first time since TP & L began serving Cameron that the Company has sought an increase in its electric service rates," said Mr. Siebman. "As a matter of fact, it has made numerous voluntary reductions, —four since 1932."

Mr. Siebman pointed out that the last voluntary decreases in 1946, shortly after the war, was made with the belief that prices would level off. But, instead of leveling off, prices continued to rise.

"The cost of almost everything required in providing electric service likewise has continued to increase," Mr. Siebman said. "Prices for labor, generators, substations, power lines, and other materials and equipment we use have increased about 50% since 1945 and up to 100% since 1940."

"Although costs of carrying on our business have continued upward, we have done everything possible to delay the need for an increase in rates. We have carefully analyzed and plan-

ned our activities to make the most effective use of materials and manpower. Much of the Company's outstanding indebtedness has been refinanced to acquire less interest on borrowed money. Automatic equipment has been installed where feasible.

"These and other measures have contributed to the Company's ability to continue operating on a sound basis despite continued rising costs. But now we have come to the point where a modest increase in electric rates is necessary."

"To continue supplying ample electricity for a growing area, the Company is now in the midst of an expansion program which will require large expenditures for power producing equipment and for expansion of lines, substation and other facilities."

"The Texas Power & Light Company is proud of its record of consistently low rates for electric service, especially over a decade when prices of all other necessities have gone up from 50% to more than 100 per cent, and is also proud of its voluntary rate reductions in the past; and we are happy now that only a small increase in electric rates is needed at this time. As a matter of fact, the average cost of electric service to residential users will still be less than it was in 1945. Electricity will remain the biggest bargain in the household budget."

Miss Margaret Bracher, district agent of the Extension service of College Station was a visitor in the County Judges office Monday.

Easter Seal Fund Drive Underway

The 1951 Easter Seal Fund campaign in Cameron and Milam County has been officially started, with the mailing out of seals during the past week. Seals have been mailed to addresses throughout the county.

Mrs. R. J. Woodum is chairman, and Mrs. Adolph Winfield is treasurer.

The appeal is made to Milam county residents to invest in something of inestimable value, which is bound to return to us dividends not measurable in dollars and cents.

It is investment in health, happiness and future independence of the crippled children and adults of this community.

It is an investment to be made in the form of a contribution to the Annual Easter Seal drive for funds for the Texas Association for the Crippled. These funds are used to provide direct services in the form of medical therapeutic employment and recreation aid for those who are unable to afford aid for themselves.

FARMERS URGED— (Continued From Page One)

conservation and said that the ACP had accomplished more in the preservation of the land than any other program. He brought out in his talk the minerals that are extracted from the soil by the continued production of crops and must be put back into the soil by the conservation methods offered by the agricultural program. Many other important points were related by Mr. Chenault.

I. H. Lloyd, district representative, addressed the group on various phases of conservation and emphasized that rotation and diversion of crops was an important factor in connection with the program. He stressed that improvements can always be made on the farm and farmers should be encouraged to build up their land, and in doing so the yield will increase and they realize more per acre each year.

There has been some resentment among the business world that the farmers and ranchers were getting more than their share through the agricultural programs but it must be remembered that if the farmers are stable enough to take care of their own financial problems, the community and surrounding areas will benefit greatly from a trade and commercial standpoint. Merchants, bankers, and businessmen must realize this important factor and should encourage farmers who are not utilizing the program to become interested in the practices offered.

The problem of conservation is a community, state and national concern and not just the farmers alone. Everyone is benefited through its program.

Community Committeemen, Ted Ford of Briary, Hugh Wimberly of Milano, Frank J. Tomek of Cameron,

Ed. Moerbe of Thorndale and Emory Doss of Rockdale were present at the meeting and each one gave an interesting talk on the subject and told of a number of experiences they had encountered in discussing the practices to the different farmers in their respective communities over the county. All of the committeemen agreed that the program had helped each community substantially and that through the personal contact of the community committeemen with farmers in their community, the program is rapidly progressing.

Mr. Doss told the group that a farmer, in most cases, will be more apt to listen to the advice of his neighbor or member of his own community who endeavors to explain the practices than they would to a man from the county, district or state office. The motive of personal contact among the farmers and committeemen has been very effective as a large number of farmers who have not participated in the program in previous years are now firm supporters of the ACP.

Mr. Doss in his discussion, told the group that some of the farmers in his section of the county, at first were pessimistic toward the program but after several of the farmers began to carry out some of the practices, other farmers became interested and are now carrying out the soil building program.

George Banzaff, former County Agent of Milam County, spoke briefly on some of the experiences he had confronted during these years.

Mr. Banzaff worked with some of the large land owners of the county in constructing some of the first terraces that were built in the Thorndale area and other sections of the county in the 1920's. He is well known for his interest in farm progress, and has been an outstanding leader in his field of work almost a half century. His information, advice and accommodations has been greatly appreciated by farmers during these years.

Lesser Newton, representing the Bryan Production Credit Ass'n. was present and a number of the farmers expressed their appreciation for the services his company had rendered them.

Mr. and Mrs. H. L. Dake visited Mr. and Mrs. Bob Busker and Carol Ann at Lott Sunday.

Local Business Women Attend Austin Banquet

Eight ladies of the Cameron Business and Professional Women's Club attended a banquet of the 6th district at the Austin Hotel in Austin Monday night, February 26.

Judge Sarah T. Hughes of Dallas was guest speaker and gave an interesting discussion on Legislative Knowledge. Judge Hughes is District Judge of District 14. She is also National President of Federated Business & Professional Women's Club.

A male vocalist was the musical entertainer for the evening.

Local members attending were Mrs. Loreta Brock, Mrs. Edith Starnes, Mrs. Adolph Winfield, Miss Mary Randolph, Miss Lois Randolph, Miss Mildred Thornton, Mrs. Neomi Needham and Mrs. Gloria Vaughan.

RED CROSS—

(Continued From Page One)
service men of service men's families to establish costly contacts or to actually help feed and clothe dependents until government aid is established for veteran dependents.

Mr. Curtis called upon those present to help see that the larger quota of between 6 and 7,000 is met by Milam County this year. The quota is approximately one-third higher than last year and the cooperation of everyone is going to be necessary to raise that allotment, the chairman pointed out.

Miss Myrtle Hinton, Home Service Chairman, and Mrs. E. G. Lowe, executive secretary spoke briefly helping to emphasize the importance and

great-need for a successful fund campaign. They are familiar with the many demands made upon the setup in this county and the records bespeak the constant drain made on funds.

Attending the kick-off meeting here Monday were Mr. and Mrs. Harry O. Clark, Mrs. Allen Conn, Mrs. Henry Kelm, Miss Minnie Schmale, Curtis Bonds, Mrs. Roy C. Butler, Mrs. Carl Link, Mr. and Mrs. Hugh Caffey, Mrs. E. P. Survant, Jamie L. Clark and Clarence Baird of Thorndale or Thorndale routes; Mrs. Buddie Limmer of Rockdale Rfd. 3; Mrs. Lester Hart, Mrs. C. L. Yount of Lexington Rfd 2; Floyd Stark of Buckholts; and Earl Curtis, Albert Collins, Myrtle Hinton, Mrs. E. G. Lowe, H. B. McClellan, and Mrs. Ben Reichert of Cameron.

LOCAL VETERINARIAN— (Continued from page one)

Klein is urging all farmers, ranchers and other citizens of the county interested in these progressive undertakings to join the Milam County Farm Bureau and take a part in such worthwhile causes.

The delegation expressed their appreciation to the Court and the Farm Bureau for their interest concerning the fox problem and thanked Judge Tyson for calling the special session to take care of this matter.

Rosa Lee McFarland who has been a medical patient in Newton Memorial Hospital has returned home much improved.

Mr. and Mrs. E. J. Goodwin of Manor were weekend guests of his mother, Mrs. G. M. Goodwin here.
